Dear President Hall:

The Committee on Substantive Change of the Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges met November 15, 2012 to review the Substantive Change Proposal from Lassen College to offer 10 degrees and four certificates at 50% or more via distance education or electronic delivery (attached).

The Committee acted to approve the request and commends the College on a well written proposal, however, the Committee requested additional information regarding library and tutoring services for distance education students as compared to face-to-face students. Please send the addendum electronically via email to sclifford@accjc.org by February 18, 2013.

Please be advised that effective July 1, 2012, the fees for Substantive Changes were revised. A new fee schedule is also attached for your information. No additional fee is required for the addendum requested above.

On behalf of the Commission, I wish to express continuing interest in the institution's educational programs and services. It remains the College's responsibility to inform the Commission of any program change. Professional self-regulation is the most effective means of assuring integrity, effectiveness and quality.

Sincerely,

Susan B. Clifford, Ed.D.
Vice President
