

Description:

This course provides students with hands-on experience in the procedures utilized during an automobile extrication incident. Course certified by the California State Fire Marshal. Additional State Fees apply. This course may be taken as needed due to the evolving extrication methods, various vehicle technological changes and new modern tools used in the various rescue plans as well as victim care requirements.

Cost:

\$134.00 CA Residents
\$180.00 Out of state Residents

Required Materials:

A flash drive that includes the class textbook document will be provided.

PPE will be provided for students or speak with instructor about using PPE from your department.
