

Description:

This training course is designed as a self-assessment opportunity for individuals preparing to step into a leadership role. The course combines one day of classroom instruction followed by a second day in the field with students working through a series of problem solving events in small teams (field Leadership Assessment Course). Must have experience on fire incident assignments in operations or support functions to receive NWCG certificate.

Pre-Requisites:

FS-61 Basic Firefighter Training (Basic 32) or FS 60 Wildland Firefighter.

FS 78-M4412 Followership to Leadership L-280

Sat, Sun
