

REFUNDS:

Per Lassen Community College [Board Policy 3350](#), a student may request a refund of the enrollment fee up to ten (10) school days from the beginning of a semester length class. If the class is shorter than semester length, the student must make the request on the first day. No refunds will be granted after this time period. Refunds may be requested in person or by contacting the outreach coordinator in outlying areas.

Lassen Community College [Board Policy 3360](#) governs nonresident tuition refunds. For students enrolled in semester-length classes, 100 percent refund will be paid during the first two weeks on any unit reduction. No refund will be made following drops made after this two-week period. For summer school and less-than-semester length classes, no refunds will be made after the beginning of class.
