

2019-20 Scholarship Application

PURPOSE

The purpose of this scholarship is to assist high school graduates to attend Lassen Community College. The scholarship is for use at Lassen Community College only. The intent is to close financial gaps that may preclude the student from attending LCC. When students receive multiple scholarships and financial aid, the foundation scholarship will be used last. Unused balances will be credited toward ongoing education upon graduation from LCC and registration to an accredited four-year institution. The scholarship is a non-cash award. It is credited to the student's account when they enroll and register for the 2019-20 academic year.

SCHOLARSHIP AWARD

The scholarship award is for the 2019-20 academic year (one year). The amount is \$1,400.00. The scholarship is for tuition; books purchased at the college bookstore, student fees (ASB, health, etc.), and dormitory fees. Excess funds from the first year may be applied to the second year.
