

DESCRIPTION

This course will supply the student with a greater understanding of the need for situational awareness, firefighter survival skills, and technical survival skills to help you avoid committing fatal errors on the fireground. Avoiding situations that could cause you to become lost, trapped, or injured is the best way to prevent tragedies at a fire scene. The Fire Fighter Survival course will aid in preventing fire fighter emergencies by teaching personnel to be resourceful when facing dangerous entrapment situations.

Note: A supplemental \$81.00 Fee will be charged including a \$5.00 materials fee and a \$76.00 State Fire Training FSTEP Student certificate fee due to Lassen Community College at time of registration.
