Administration of Justice

AJ 20 Criminal Law

Course reviewed with no revisions as part of the Administration of Justice/Correctional Science Instructional Program review process.

Effective: Summer 2010

Approved: April 27, 2010

AJ 23 Criminal Evidence

Course reviewed with no revisions as part of the Administration of Justice/Correctional Science Instructional Program review process.

Effective: Summer 2010

Approved: April 27, 2010

AJ 48.54 Firearms Training

Student Learning Outcomes were approved for this course.

Effective: Fall 2009

Approved: September 29, 2009

AJ 48.54 Firearms Training

Course number changed to AJ 52BR. This course is a refresher to AJ 52B.

Effective: Spring 2010

Approved: October 20, 2009

AJ 48.67 Clandestine Laboratory Safety for Patrol Officers

Student Learning Outcomes were approved for this course.

Effective: Fall 2009

Approved: September 29, 2009

AJ 48.68 Laser Firearms Course

Course Inactivated. Course has not been offered in many years.

Effective: Fall 2009

Approved: September 29, 2009

AJ 48.54 Firearms Repair

Change to the permanent number of AJ 52BR. This course is offered more than once each year.

Effective: Spring 2009

Approved: October 20, 2009

AJ 48.69 Civil Liabilities – Line Officer's

Course Inactivated. Course has not been offered in many years.

Effective: Fall 2009

Approved: September 29, 2009

AJ 52A Arrest Methods and Procedures

Content review justification forms have been completed to add recommended preparation of 'English 50 and Reading 51' to this course which contains a lecture component.

Effective: Fall 2009

Approved: August 25, 2009

AJ 52B Firearms P.C. 832

Student Learning Outcomes were approved for this course.

Effective: Fall 2009

Approved: September 29, 2009

AJ 52B Firearms P.C. 832 and AJ 52BR Firearms Training

These courses have been cross-listed with the following gunsmithing courses to allow civilians the opportunity to meet the minimum California requirements for Carry Concealed Weapons permit, whereas the Administration of Justice courses below are for law enforcement only.

GSS 52B Firearms Training

GSS 52BR Firearms Training Refresher

Effective: Spring 2009

Approved: October 20, 2009

AJ 52B Firearms P.C. 832

Minor revisions to student learning outcomes, course content and assignment section.

Administration of Justice/Correctional Science Instructional Program Review.

Revised Student Learning Outcomes:

1. Demonstrate the safe and effective use of a firearm while demonstrating safe loading/unloading procedures.
2. Demonstrate safe, accurate, and effective use of a firearm from varying distances and positions.
3. Demonstrate the knowledge of the nomenclature of the weapon.
4. Demonstrate the proper take down, cleaning, and reassembly of firearms.

3. Be able to write field notes from a reporting party and put them in chronological order of events when writing a report.
4. Pass the P.O.S.T certification exam.

Effective: Fall 2010

Approved: April 13, 2010

AJ 54 Weaponless Defense

Content review justification forms have been completed to add recommended preparation of 'English 50 and Reading 51' to this course which contains a lecture component.

Effective: Fall 2009

Approved: August 25, 2009

AJ 54 Weaponless Defense

Student Learning Outcomes were approved for this course.

Effective: Fall 2009

Approved: September 29, 2009

AJ 56 Spanish for Law Enforcement

Content review justification forms have been completed to add recommended preparation of 'English 50 and Reading 51' to this course which contains a lecture component.

Effective: Fall 2009

Approved: August 25, 2009

AJ 56 Spanish for Law Enforcement

Student Learning Outcomes were approved for this course.

Effective: Fall 2009

Approved: September 29, 2009

AJ 58 Legal Aspects in Law Enforcement

Student Learning Outcomes were approved for this course.

Effective: Fall 2009

Approved: September 29, 2009

Agriculture

AGR 3 Introduction to Agriculture Business

Course reactivation with the addition of student learning outcomes.

Student Learning Outcomes:

1. Design a model plan to allocate resources for an agribusiness organization. This includes marketing, four function of management, knowing basic laws, leadership and problem solving.
2. Recognizing the role as manager, and use the problem solving techniques in personnel, ethics and planning.

Effective: Fall 2010

Approved: April 27, 2010

AGR 8 Introduction to Animal Production

Course reviewed with no revisions as part of the Agriculture Instructional Program review process.

Effective: Summer 2010

Approved: April 27, 2010

AGR 9 Food Animal Selection

Update representative text. Agriculture Instructional Program Review.

Effective: Summer 2010

Approved: April 27, 2010

AGR 10 Introduction to Animal Science

Course reviewed with no revisions as part of the Agriculture Instructional Program review process.

Effective: Summer 2010

Approved: April 27, 2010

AGR 11Beef Cattle Production

Update representative text. Agriculture Instructional Program Review.

Effective: Summer 2010

Approved: April 27, 2010

AGR 13 Feeds and Feeding

Course reviewed with no revisions as part of the Agriculture Instructional Program review process.

Effective: Summer 2010

Approved: April 27, 2010

AGR 14 Horse Husbandry

Update representative text. Agriculture Instructional Program Review.

Effective: Summer 2010

Approved: April 27, 2010

AGR 21 Theory of Rodeo Skills

Course reviewed with no revisions as part of the Agriculture Instructional Program review process.

Effective: Summer 2010

Approved: April 27, 2010

AGR 21B Intercollegiate Rodeo

Course reviewed with no revisions as part of the Agriculture Instructional Program review process.

Effective: Summer 2010

Approved: April 27, 2010

AGR 23 Western Riding and Training

Course reviewed with no revisions as part of the Agriculture Instructional Program review process.

Effective: Summer 2010

Approved: April 27, 2010

AGR 24 English Riding and Training

Course reviewed with no revisions as part of the Agriculture Instructional Program review process.

Effective: Summer 2010

Approved: April 27, 2010

AGR 25 Vegetable Science for Urban Gardeners

Course reviewed with no revisions as part of the Agriculture Instructional Program review process.

Effective: Summer 2010

AGR 26 Ornamental Plant Materials

Course reviewed with no revisions as part of the Agriculture Instructional Program review process.

Effective: Summer 2010

Approved: April 27, 2010

AGR 27 Principles of Landscape Design

Update representative text. Agriculture Instructional Program Review.

Effective: Summer 2010

Approved: April 27, 2010

AGR 30 Team Roping

Course reviewed with no revisions as part of the Agriculture Instructional Program review process.

Effective: Summer 2010

Approved: April 27, 2010

AGR 31 Bovine Embryo Transfer

Course reviewed with no revisions as part of the Agriculture Instructional Program review process.

Effective: Summer 2010

Approved: April 27, 2010

AGR 50 Basic Riding

Course reviewed with no revisions as part of the Agriculture Instructional Program review process.

Effective: Summer 2010

Approved: April 27, 2010

AGR 50 Basic Riding

Content review justification forms have been completed to add recommended preparation of 'English 50 and Reading 51' to this course which contains a lecture component.

Effective: Fall 2009

Approved: August 25, 2009

AGR 51 Horsemanship

Course reviewed with no revisions as part of the Agriculture Instructional Program review process.

Effective: Summer 2010

AGR 53 Colt Training

Course reviewed with no revisions as part of the Agriculture Instructional Program review process.

Effective: Summer 2010

Approved: April 27, 2010

AGR 53 Colt Training

Content review justification forms have been completed to add recommended preparation of 'English 50 and Reading 51' to this course which contains a lecture component.

Effective: Fall 2009

Approved: August 25, 2009

AGR 57 Beginning Horseshoeing

Course reviewed with no revisions as part of the Agriculture Instructional Program review process.

Effective: Summer 2010

Approved: April 27, 2010

AGR 57 Beginning Horseshoeing

Content review justification forms have been completed to add recommended preparation of 'English 50 and Reading 51' to this course which contains a lecture component.

Effective: Fall 2009

Approved: August 25, 2009

AGR 61 Introduction to Bovine Reproduction

Content review justification forms have been completed to add recommended preparation of 'English 50 and Reading 51' to this course which contains a lecture component.

Effective: Fall 2009

Approved: August 25, 2009

AGR 61 Bovine Reproduction

Course reviewed with no revisions as part of the Agriculture Instructional Program review process.

Effective: Summer 2010

Approved: April 27, 2010

AGR 70 Rodeo Team Roping

Course reviewed with no revisions as part of the Agriculture Instructional Program review process.

Effective: Summer 2010

Approved: April 27, 2010

AGR 116 Pesticide Update 'Continuing Education Requirements'

Course reviewed with no revisions as part of the Agriculture Instructional Program review process.

Effective: Summer 2010

Approved: April 27, 2010

Anthropology

ANTH 1 Physical Anthropology

Representative Textbooks Update. Course review as part of the Natural Science/Allied Health/Mathematics/Physical Science Instructional Program Review.

Effective: Spring 2010

Approved: 02/16/2010

ANTH 8 The North American Indian

Student Learning Outcomes were approved for this course.

Effective: Fall 2009

Approved: September 29, 2009

Art

ART 43C Intermediate Jewelry Design

The addition of a \$10.00 Materials Fee. Add to the course description, 'To cover the costs of metals and soldering, a \$10.00 materials fee will be charged at the time of enrollment.'

Effective: Summer 2010

Approved: March 16, 2010

ART 43D Advanced Jewelry Design

The addition of a \$10.00 Materials Fee. Add to the course description, 'To cover the costs of metals and soldering, a \$10.00 materials fee will be charged at the time of enrollment.'

Effective: Summer 2010

Approved: March 16, 2010

ART 151 General Crafts

Course Inactivated. Course has not been offered in many years.

Effective: Fall 2009

Approved: September 29, 2009

Astronomy

ASTR 1 Introduction to Astronomy

Course reviewed with no revisions as part of the Math/Natural Science Instructional Program review process.

Effective: Summer 2010

Approved: April 27, 2010

Automotive Technology

AT 23 Fuel Injection/Carburetion Systems

Student Learning Outcomes were approved for this course.

Effective: Fall 2009

Approved: September 29, 2009

AT 24 Engine Electrical

Student Learning Outcomes were approved for this course.

Effective: Fall 2009

Approved: September 29, 2009

AT 25 Tune-Up

Student Learning Outcomes were approved for this course.

Effective: Fall 2009

Approved: September 29, 2009

AT 27 Steering and Suspension

Student Learning Outcomes were approved for this course.

Effective: Fall 2009

Approved: September 29, 2009

AT 28 Automotive Brakes

Student Learning Outcomes were approved for this course.

Effective: Fall 2009

Approved: September 29, 2009

AT 30 Chassis Electrical

Student Learning Outcomes were approved for this course.

Effective: Fall 2009

Approved: September 29, 2009

AT 32 Air Conditioning and Accessories

Student Learning Outcomes were approved for this course.

Effective: Fall 2009

Approved: September 29, 2009

AT 33 Automatic Transmissions

Student Learning Outcomes were approved for this course.

Effective: Fall 2009

Approved: September 29, 2009

AT 37 Automotive Machine

Student Learning Outcomes were approved for this course.

Effective: Fall 2009

Approved: September 29, 2009

AT 38 Engine Balancing

Student Learning Outcomes were approved for this course.

Effective: Fall 2009

Approved: September 29, 2009

Biology

BIOL 1 Principles of Biology

Representative Textbooks Update. Course review as part of the Natural Science/Allied Health/Mathematics/Physical Science Instructional Program Review.

Effective: Spring 2010

Approved: February 16, 2010

BIOL 2 Principles of Zoology

Representative Textbooks Update. Course review as part of the Natural Science/Allied Health/Mathematics/Physical Science Instructional Program Review.

Effective: Spring 2010

Approved: February 16, 2010

BIOL 3 Principles of Botany

Representative Textbooks Update. Course review as part of the Natural Science/Allied Health/Mathematics/Physical Science Instructional Program Review.

Effective: Spring 2010

Approved: February 16, 2010

BIOL 10 Natural History of Plants & Animals

Course reviewed with no revisions as part of the Math/Natural Science Instructional Program review process.

Effective: Summer 2010

Approved: April 27, 2010

BIOL 18 Environmental Conservation

Course reviewed with no revisions as part of the Math/Natural Science Instructional Program review process.

Effective: Summer 2010

Approved: April 27, 2010

BIOL 20 Microbiology

Representative Textbooks Update. Course review as part of the Natural Science/Allied Health/Mathematics/Physical Science Instructional Program Review.

Effective: Spring 2010

Approved: February 2, 2010

BIOL 25 Human Anatomy and Physiology I

Representative Textbooks Update. Course review as part of the Natural Science/Allied Health/Mathematics/Physical Science Instructional Program Review.

Effective: Spring 2010

Approved: February 2, 2010

BIOL 26 Human Anatomy and Physiology II

Representative Textbooks Update. Course review as part of the Natural Science/Allied Health/Mathematics/Physical Science Instructional Program Review.

Effective: Spring 2010

February 2, 2010

BIOL 32 General Life Science

Course reviewed with no revisions as part of the Math/Natural Science Instructional Program review process.

Effective: Summer 2010

Approved: April 27, 2010

Business

BUS 1B Accounting Principles – Managerial

Minor revisions to student learning outcomes and update representative texts. Business Instructional Program Review.

Revised Student Learning Outcomes:

1. Explain and illustrate the characteristics and cost flows in a given manufacturing entity.
2. Describe and illustrate the use of managerial accounting information in decision making.

Effective: Summer 2010

Approved: April 27, 2010

BUS 1C Federal Income Tax

Minor revisions to student learning outcomes and update representative texts. Business Instructional Program Review.

Revised Student Learning Outcomes:

1. Prepare a common U.S. Individual Income Tax Return.
2. Demonstrate a basic understanding of the major tax rules and regulations defined by the Internal Revenue Service and the Internal Revenue Code.

Effective: Summer 2010

Approved: April 27, 2010

BUS 2 Introduction to Business

Revisions to student learning outcomes, course objectives, and update representative texts.

Business Instructional Program Review.

Revised Student Learning Outcomes:

1. Define common business terms, ideas, and phrases.
2. Demonstrate an understanding of contemporary business principles and practices.
3. Demonstrate an understanding of common business organizational structures.

Effective: Summer 2010

Approved: April 27, 2010

BUS 2 Introduction to Business

Textbook Update with Student Learning Outcomes revisions as part of the Business Instructional Program Review.

Effective: Spring 2010

Approved: March 16, 2010

BUS 13 Basic Accounting

Minor revisions to student learning outcomes and update representative texts. Business Instructional Program Review.

Revised Student Learning Outcomes:

1. Complete an entire accounting cycle under the industry standards of GAAP given basic transactional information.
2. Demonstrate an apprentice level ability to interpret a company's financial position and profitability given basic financial statements.

Effective: Summer 2010

Approved: April 27, 2010

BUS 22 Business Law

Minor revisions to student learning outcomes and update representative texts. Business Instructional Program Review.

Revised Student Learning Outcomes:

1. Demonstrate a basic understanding of the legal framework that surrounds contemporary U.S. business.
2. Identify and explain the major elements of contract law.

Effective: Summer 2010

Approved: April 27, 2010

BUS 25 Small Business Management

Revisions to student learning outcomes and update representative texts. Business Instructional Program Review.

Revised Student Learning Outcomes:

1. Define integrity and its importance to business stakeholders.
2. Identify the common barriers and needs requirements of a new small business start up.
3. Create a business plan for a new business venture.

Effective: Summer 2010

Approved: April 27, 2010

BUS 57 Real Estate Principles

Content review justification forms have been completed to add recommended preparation of 'English 50 and Reading 51' to this course which contains a lecture component.

Effective: Fall 2009

Approved: August 25, 2009

BUS 57 Real Estate Principles

Course Inactivation. (Course not offered in years.) Business Instructional Program Review Process. (See attached Program Components)

Revisions to Degrees/Certificates and Catalog:

1. Course will be removed from AS Accounting (elective section).
2. Course will be removed from AS Office Administrative Assistant (elective section).
3. Elimination of Certificate of Accomplishment: Real Estate
4. Elimination of Certificate of Accomplishment Program Student Learning Outcomes
4. Delete header of 'Certificate of Accomplishment: Real Estate', Delete paragraph on Real Estate, Remove 3 Career Options, Remove 1 Program Highlight

Effective: Spring 2010

Approved: March 16, 2010

BUS 60 Real Estate Practice

Content review justification forms have been completed to add recommended preparation of 'English 50 and Reading 51' to this course which contains a lecture component.

Effective: Fall 2009

Approved: August 25, 2009

BUS 60 Real Estate Practices

Course Inactivation (Course not offered in years) Business Instructional Program Review Process. (See Attached Program Components)

Revisions to Degrees/Certificates and Catalog:

1. Course will be removed from AS Accounting (elective section).
2. Course will be removed from AS Office Administrative Assistant (elective section).
3. Elimination of Certificate of Accomplishment: Real Estate
4. Elimination of Certificate of Accomplishment Program Student Learning Outcomes
4. Delete header of 'Certificate of Accomplishment: Real Estate', Delete paragraph on Real estate, Remove 3 Career Options, Remove 1 Program Highlight

Effective: Spring 2010

Approved: March 16, 2010

Chemistry

CHEM 1A General Chemistry I

Update representative texts. Natural Science/Allied Health/Mathematics/Physical Science Instructional Program Review.

Effective: Summer 2010

Approved: April 13, 2010

CHEM 1B General Chemistry II

Update representative texts. Natural Science/Allied Health/Mathematics/Physical Science Instructional Program Review.

Effective: Summer 2010

Approved: April 13, 2010

CHEM 8 Introduction to Organic and Biochemistry

Update representative texts. Natural Science/Allied Health/Mathematics/Physical Science Instructional Program Review.

Effective: Summer 2010

Approved: April 13, 2010

CHEM 45 Introduction to Chemistry

Update representative texts. Natural Science/Allied Health/Mathematics/Physical Science Instructional Program Review.

Effective: Summer 2010

Approved: April 13, 2010

Child Development

CD 11 Observation and Assessment

Revisions to catalog description, course student learning outcomes, course content, and representative texts. Child Development Instructional Program Review.

Student Learning Outcomes:

1. Critically compare the purpose, value and use of formal and informal observation and assessment in early childhood settings.
2. Describe and evaluate the characteristics, strengths, and limitations of common assessment tools in respect to children's developmental, cultural and linguistic characteristics.

3. Demonstrate systematic observation methods that reveal children's ideas, processes and needs and provide data to assess the impact of learning settings, interactions and curriculum on children's development and learning in partnership with families, and other professionals.

Effective: Summer 2010

Approved: April 13, 2010

CD 12 Child, Family and Community

Revisions to catalog description, course student learning outcomes, and course content. Child Development Instructional Program Review.

Revised Student Learning Outcomes:

1. Critically compare the purpose, value and use of formal and informal observation and assessment in early childhood settings.
2. Describe and evaluate the characteristics, strengths, and limitations of common assessment tools in respect to children's developmental, cultural and linguistic characteristics.
3. Demonstrate systematic observation methods that reveal children's ideas, processes and needs and provide data to assess the impact of learning settings, interactions and curriculum on children's development and learning in partnership with families, and other professionals.

Effective: Summer 2010

Approved: April 13, 2010

CD 15 Preschool Administration

Revisions to course student learning outcomes and representative texts. Child Development Instructional Program Review.

Revised Student Learning Outcomes:

1. Identify the directors role with families, children, staff and community.
2. Develop and assess a business plan, including budget, facility, staffing, marketing and enrollment that meets title 22 and/or Title 5.
3. Analyze program planning, curriculum, development, emergency preparedness, nutrition, health and safety policies and procedures.

Effective: Summer 2010

Approved: April 13, 2010

CD 16 Introduction to Curriculum

Revisions to course description, student learning outcomes, course content, and representative texts. Child Development Instructional Program Review.

Revised Student Learning Outcomes:

1. Investigate and apply developmentally appropriate principles and teaching strategies to positively influence young children's development and learning.
2. Evaluate the teachers' role in providing best and promising practices in early childhood programs.
3. Compare and contrast play based curriculum that supports children's cognitive, language, creative, physical, and social emotional growth.

Effective: Summer 2010

Approved: April 13, 2010

CD 14 Creative Activities for Young Children

Update representative texts. Child Development Instructional Program Review.

Effective: Summer 2010

Approved: April 13, 2010

CD 17 Children's Literature

Update representative texts. Child Development Instructional Program Review.

Effective: Summer 2010

Approved: April 13, 2010

CD 18 Creative Music and Movement Activities

Update representative texts. Child Development Instructional Program Review.

Effective: Summer 2010

Approved: April 13, 2010

CD 19 Children's Nutrition, Health and Safety

Revisions to course description, student learning outcomes, course content, and representative texts. Child Development Instructional Program Review.

Revised Student Learning Outcomes:

1. Identify health, safety, and environmental risks in children's programs.
2. Assess strategies to maximize the mental and physical health of children and adults in programs for young children.
3. Analyze the nutritional needs of children at various ages and evaluate the relationship between healthy development and nutrition.

Effective: Summer 2010

Approved: April 13, 2010

CD 20 Principles and Practices of Teaching Young Children

Revisions to course description, student learning outcomes, course content, assignment section and representative texts. Approve for online and correspondence delivery. Child Development Instructional Program Review.

Revised Student Learning Outcomes:

Identify the underlying theoretical perspective in forming a professional philosophy.

Effective: Summer 2010

Approved: April 13, 2010

CD 22 The Infant/Toddler

Revisions to student learning outcomes, course content, and representative texts. Approve to offer as Correspondence and Online Delivery. Child Development Instructional Program Review.

Revised Student Learning Outcomes:

1. Apply infant/toddler development to planning an appropriate environment and curriculum; including regulations applicable to this age group.
2. Describe and develop a responsive primary care giving routine/schedule,
3. Develop strategies for effective communication with parents as partners.

Effective: Summer 2010

Approved: April 13, 2010

CD 23 Adult Supervision

Reviewed with no revisions. Child Development Instructional Program Review.

Effective: Summer 2010

Approved: April 13, 2010

CD 24 Practicum

Revisions to course description, student learning outcomes, course content, assignment section, approve to offer as Online Delivery. Child Development Instructional Program Review.

Revised Student Learning Outcomes:

1. Integrate understanding of children's characteristics and needs to develop healthy, safe, respectful, supportive and challenging learning environments for all children.
2. Evaluate the effectiveness of an early childhood environment, the curriculum and teaching strategies to improve teaching practices.
3. Design implement, and evaluate curriculum activities based on observation, and assessment of young children.

Effective: Summer 2010

Approved: April 13, 2010

CD 25 Teaching in a Diverse Society

Revisions to course description, student learning outcomes, course content, assignment section and representative texts. Approve to offer as Correspondence and Online Delivery. Child Development Instructional Program Review.

Revised Student Learning Outcomes:

1. Critically assess the components of culturally relevant and responsive physical and social environments to create respectful, reciprocal relationships that support and empower families, children and teachers.

Fire Technology

FS 13 Fire Behavior and Combustion (New Course)

This course is designed to explore the theories and fundamentals of how and why fires start, spread and how they are controlled. (This is a 3 unit course consisting of 51 lecture hours.) Student Learning Outcomes have been written for this course. Content review justification forms for English 50 and Reading 51 as recommended preparation have been completed. Discipline

Assignment: Fire Technology.

Effective: Spring 2010

Approved: August 25, 2009

Board Approved: September 8, 2009

FS 14 Principles of Fire Safety and Survival (New Course)

This course introduces the basic concepts of occupational health and safety as it relates to emergency service organizations. Topics include risk evaluation and control procedures for emergency and non-emergency situations. The course curriculum will be guided by NFPA standards, such as National Fire Protection Association 1500, Fire Department Occupational Health and Safety Programs. (Content review justification forms have been completed for **Recommended Preparation:** English 50 and Reading 51 or equivalent placement through the assessment process.) This course consists of 51 lecture hours for 3.0 units. This course will be a required core course within the Associate in Science Degree and the Certificate of Achievement in Fire Science. (FS 55 Fire Investigation will be removed from the core courses and moved to the Required Electives section.) **Discipline Assignment:** Fire Technology

Effective: Spring 2010

Approved: March 16, 2010

Board Approved: April 13, 2010

FS 60A Basic Fire Crew Firefighter (New Course)

This course provides basic knowledge, skills and ability for those individuals seeking a position on an operational CAL FIRE hand crew. This course requires instructor authorization prior to enrollment. (Content review justification forms for English 50 and Reading 51 as recommended preparation have been completed.) This course is 3 units, consisting of 50 lecture hours, and is a stand-alone course which will be offered in the summer, fall, and spring. Discipline Assignment: Fire Technology.

Effective: Spring 2010

Approved: December 8, 2009

Board Approved: 01/12/2010

FS 69 Fire Management 1

This course prepares or enhances the first line supervisor's ability to supervise subordinates. It introduces key management concepts and practices utilized and includes discussions about decision making, time management, leadership styles, personnel evaluations, and counseling guidelines. This course will require an additional fee for the costs of training manuals and certificate as required by the Office of State Fire Training. (This is a 2.0 unit course consisting of 40 lecture hours.) Student learning outcomes have been written and are included in the course outline. Content review justification forms for English 50 and Reading 51 have been completed as recommended preparation. Discipline Assignment: Fire Technology.

Effective: Fall 2009

Approved: August 25, 2009

Board Approved: September 8, 2009

FS 77 Human Factors on the Fireline L-180

Content review justification forms have been completed to add recommended preparation of 'English 50 and Reading 51' to this course which contains a lecture component.

Effective: Fall 2009

Approved: August 25, 2009

FS 82 Fire Command 1A (New Course)

This course is designed to provide fire company officers with information and experience in command and control techniques used at the scene of an emergency. Emphasizes decision-making, the act of commanding, the authority, the personnel, organization structure and preplanning and training techniques. This course will require an additional fee for the costs of training manuals and certificate as required by the Office of State Fire Training. (This is a 2 unit course consisting of 40 lecture hours.) Student learning outcomes have been written for this course. Content review justification forms for English 50 and Reading 51 as recommended preparation have been completed. Discipline Assignment: Fire Technology.

Effective: Spring 2010

Approved: August 25, 2009

This course is designed to provide fire company officers with information and experience in command and control techniques used at the scene of an emergency. Emphasizes decision-making, the act of commanding, the authority, the personnel, organization structure and preplanning and

training techniques. (This is a 2 unit course consisting of 40 lecture hours.) Student learning outcomes have been written for this course. Content review justification forms for English 50 and Reading 51 as recommended preparation and FS 82 Fire Command 1A as a prerequisite have been completed. Discipline Assignment: Fire Technology.

Effective: Spring 2010

Approved: August 25, 2009

Board Approved: September 8, 2009

FS 84 Lessons Learned (Fatality Fire Case Studies) (New Course)

The purpose of the Lessons Learned training course is by its nature firefighting is a dangerous undertaking. Wildland fires are dangerous because they are dynamic and constantly changing as the result of many complex factors. Unfortunately, sometimes wildland fires bring death and injury to firefighters. Each firefighter fatality should motivate us to study the incident, learn from it, and share the lessons of this blunt but effective teaching tool so that others may engage wildland fires without paying such a price. (This is a one unit course consisting of 16 lecture hours and 4 lab hours.) Student learning outcomes have been written for this course. Content review justification forms for English 50 and Reading 51 as recommended preparation and S-130 Firefighter Training and S-190 Introduction to Wildland Fire Behavior as prerequisites have been completed. Discipline Assignment: Fire Technology.

Effective: Spring 2010

Approved: August 25, 2009

Board Approved: September 8, 2009

FS 85 Understanding Maps, Compass & GPS (New Course)

Learn to navigate using topographic and other maps used with the compass and Global Positioning Systems (GPS). Discusses topography contours, map scales, and map projections. Navigate in the field using inexpensive modern compass and GPS receiver to define desired directions of travel and use them on the ground. Discussion of different hand-held GPS receivers, their usefulness, accuracy, and important features for use in the field. Students will learn how to use the GPS receiver and/or compass with map to determine accurate altitude information in land navigation and how to minimize navigation errors caused by the effects of weather and other natural interference. (Content review justification forms have been completed for **Recommended Preparation:** English 50 and Reading 51 or equivalent placement through the assessment process.) This course consists of 16 lecture hours and is not transferrable. (FS 85 Understanding Maps, Compass & GPS will be added to the required electives section for the Fire Technology Degree and Certificate.)

Effective: Fall 2009

Approved: August 25, 2009

GSS 77 Accurizing M1-M1A for Competition

This course requires an additional fee of \$19 to cover the costs of course handouts, bedding material, sandpaper, steel, wood finish, and small parts (pins, roll pins, small springs, etc.). (Course Material Fee Approved/Add to Course Description)

Effective: Spring 2010

Approved: October 20, 2009

GSS 78 Design & Repair: .22 Autopistols

Content review justification forms have been completed to add recommended preparation of 'English 50 and Reading 51' to this course which contains a lecture component.

Effective: Fall 2009

Approved: August 25, 2009

GSS 79 Basic Correctional Armorer's School

Content review justification forms have been completed to add recommended preparation of 'English 50 and Reading 51' to this course which contains a lecture component.

Effective: Fall 2009

Approved: August 25, 2009

GSS 79 Basic Correctional Armorer's School

This course requires an additional fee of \$19 to cover the costs of course handouts, bluing salts, sandpaper, small parts (pins, roll pins, small springs, etc.), and steel. (Course Material Fee Approved/Add to Course Description)

Effective: Spring 2010

Approved: October 20, 2009

GSS 80 Custom Rifle Seminar - Metalsmithing

Content review justification forms have been completed to add recommended preparation of 'English 50 and Reading 51' to this course which contains a lecture component.

Effective: Fall 2009

Approved: August 25, 2009

GSS 81 Custom Rifle Seminar – Single Shot Rifle

Content review justification forms have been completed to add recommended preparation of 'English 50 and Reading 51' to this course which contains a lecture component.

Effective: Fall 2009

Approved: August 25, 2009

GSS 82 General Gunsmithing

Content review justification forms have been completed to add recommended preparation of 'English 50 and Reading 51' to this course which contains a lecture component.

Effective: Fall 2009

Approved: August 25, 2009

GSS 84 LEAS Design and Repair Colt & Ruger Revolvers

Content review justification forms have been completed to add recommended preparation of 'English 50 and Reading 51' to this course which contains a lecture component.

Effective: Fall 2009

Approved: August 25, 2009

GSS 87 LEAS Design & Repair Double Action Autopistols I

This course requires an additional fee of \$19 to cover the costs of course handouts, blocking material, cutting oil, glue, sandpaper, small parts (pins, roll pins, small springs, etc.), steel, welding rod and gases. (Course Material Fee Approved/Add to Course Description)

Effective: Spring 2010

Approved: October 20, 2009

GSS 88 LEAS Design and Repair Single Action Autopistols

This course requires an additional fee of \$19 to cover the costs of course handouts, blocking material, cutting oil, glue, sandpaper, small parts (pins, roll pins, small springs, etc.), steel, welding rod and gases. (Course Material Fee Approved/Add to Course Description)

Effective: Spring 2010

Approved: October 20, 2009

GSS 89 LEAS Design and Repair Full Autos, Phase I

This course requires an additional fee of \$19 to cover the costs of course handouts, blocking material, cutting oil, glue, sandpaper, small parts (pins, roll pins, small springs, etc.), steel, welding rod and gases. (Course Material Fee Approved/Add to Course Description)

Effective: Spring 2010

Approved: October 20, 2009

GSS 90 Customizing the Colt-Type Autopistol, Basic

Content review justification forms have been completed to add recommended preparation of 'English 50 and Reading 51' to this course which contains a lecture component.

Effective: Fall 2009

Approved: August 25, 2009

GSS 91 Customizing the Colt-Type Autopistol, Advanced

Content review justification forms have been completed to add recommended preparation of 'English 50 and Reading 51' to this course which contains a lecture component.

Effective: Fall 2009

Approved: August 25, 2009

GSS 91 Customizing the Colt-Type Autopistol, Advanced

This course requires an additional fee of \$19 to cover the costs of course handouts, blocking, sandpaper, small parts (pins, roll pins, small springs, etc.), steel, cutting oil, welding rod and gases. (Course Material Fee Approved/Add to Course Description)

Approved: October 20, 2009

Effective: Spring 2010

GSS 93 LEAS Design and Repair Counter Sniper/Varmint Rifle

Content review justification forms have been completed to add recommended preparation of 'English 50 and Reading 51' to this course which contains a lecture component.

Effective: Fall 2009

Approved: August 25, 2009

GSS 93 LEAS Design and Repair-Counter Sniper/Varmint Rifle

This course requires an additional fee of \$19 to cover the costs of course handouts, bedding material, small parts (pins, roll pins, small springs, etc.), and steel. (Course Material Fee Approved/Add to Course Description)

Effective: Spring 2010

Approved: October 20, 2009

GSS 94 Ballistic, Handloading & Testing

This course requires an additional fee of \$19 to cover the costs of course handouts, case lube, powder, primers, and bullets. (Course Material Fee Approved/Add to Course Description)

Effective: Spring 2010

Approved: October 20, 2009

GSS 95 Law Enforcement Armorer School - Basic

Content review justification forms have been completed to add recommended preparation of 'English 50 and Reading 51' to this course which contains a lecture component.

Effective: Fall 2009

Approved: August 25, 2009

GSS 95 Law Enforcement Armorer School-Basic

This course requires an additional fee of \$19 to cover the costs of course handouts, bluing salts, sandpaper, small parts (pins, roll pins, small springs, etc.), steel, welding rod, and gases. (Course Material Fee Approved/Add to Course Description)

Effective: Spring 2010

Approved: October 20, 2009

GSS 98.02 Cowboy Action Shooting Long Guns

Student Learning Outcomes were approved for this course.

Effective: Fall 2009

Approved: September 29, 2009

GSS 98.02 Cowboy Action Shooting Long Guns

This course requires an additional fee of \$19 to cover the costs of course handouts, bedding materials, sandpaper, small parts (pins, roll pins, small springs, etc.), steel, welding rod and gases. (Course Material Fee Approved/Add to Course Description)

Effective: Spring 2010

Approved: October 20, 2009

GSS 98.03 Cowboy Action Shooting Short Guns

This course requires an additional fee of \$19 to cover the costs of course handouts, sandpaper, small parts (pins, roll pins, small springs, etc.), steel, welding rod and gases. (Course Material Fee Approved/Add to Course Description)

Effective: Spring 2010

Approved: October 20, 2009

GSS 98.04 Advanced Knife Making

Student Learning Outcomes were approved for this course.

Effective: Fall 2009

Approved: September 29, 2009

GSS 98.06 LEAS DFR Patrol Rifles

This course requires an additional fee of \$19 to cover the costs of course handouts, bedding materials, sandpaper, small parts (pins, roll pins, small springs, etc.), steel, welding rod and gases. (Course Material Fee Approved/Add to Course Description)

Effective: Spring 2010

Approved: October 20, 2009

GSS 98.08 Custom Built 1911

Student Learning Outcomes were approved for this course.

Effective: Fall 2009

Approved: September 29, 2009

GSS 98.09 Color Case Hardening

This course requires an additional fee of \$19 to cover the costs of course handouts, charcoal, blocking and shielding materials, and various color compounds. (Course Material Fee Approved/Add to Course Description)

Effective: Spring 2010
Approved: October 20, 2009

GSS 98.12 Modern and Cowboy Action Belts and Holsters

Student Learning Outcomes were approved for this course.

Effective: Fall 2009
Approved: September 29, 2009

GSS 98.12 Modern and Cowboy Action Belts and Holsters

This course requires an additional fee of \$19 to cover the costs of course handouts, dye, glue, leather, and oil. (Course Material Fee Approved/Add to Course Description)

Effective: Spring 2010
Approved: October 20, 2009

GSS 98.13 Metallurgy for Gunsmiths

Student Learning Outcomes were approved for this course.

Effective: Fall 2009
Approved: September 29, 2009

GSS 98.21 Hand Guns Special Projects

Student Learning Outcomes were approved for this course.

Effective: Fall 2009
Approved: September 29, 2009

GSS 98.22 DFR Long Guns Special Projects

Student Learning Outcomes were approved for this course.

Effective: Fall 2009
Approved: September 29, 2009

GSS 98.23 Machine Shot Special Projects

Student Learning Outcomes were approved for this course.

Effective: Fall 2009
Approved: September 29, 2009

GSS 98.24 Stockmaking Special Projects

Student Learning Outcomes were approved for this course.

Effective: Fall 2009
Approved: September 29, 2009

GSS 112 Machine Shop for Gunsmiths

This course requires an additional fee of \$19 to cover the costs of course handouts, cutting oil, sandpaper, small parts (pins, roll pins, small springs, etc.), and steel. (Course Material Fee Approved/Add to Course Description)

Effective: Spring 2010
Approved: October 20, 2009

GSS 114 Basic Rifle Barreling

This course requires an additional fee of \$19 to cover the costs of course handouts, cutting oil, sandpaper, small parts (pins, roll pins, small springs, etc.), and steel. (Course Material Fee Approved/Add to Course Description)

Effective: Spring 2010

Approved: October 20, 2009

GSS 123 Basic Hard Metal Engraving

This course requires an additional fee of \$19 to cover the costs of course handouts and practice plates. (Course Material Fee Approved/Add to Course Description)

Effective: Spring 2010

Approved: October 20, 2009

GSS 129 Design and Repair of Airguns

This course requires an additional fee of \$19 to cover the costs of course handouts, cutting oil, glue, sandpaper, small parts (pins, roll pins, small springs, etc.), steel, welding rod and gases. (Course Material Fee Approved/Add to Course Description)

Effective: Spring 2010

Approved: October 20, 2009

GSS 134 Caustic Bluing

This course requires an additional fee of \$19 to cover the costs of course handouts, bluing salts, oil, and sandpaper. (Course Material Fee Approved/Add to Course Description)

Effective: Spring 2010

Approved: October 20, 2009

GSS 143 Custom Gunmaking - Muzzleloaders

Minor revisions to course title; “Custom Gunmaking - Muzzleloaders Kit Guns”, course description, course objectives, and appropriate readings within the assignment section.

Effective: Summer 2010

Approved: February 16, 2010

GSS 147 Assembly and Tuning of Gas Operated LEAS Repeating Rifles

This course requires an additional fee of \$19 to cover the costs of course handouts, bedding materials, sandpaper, small parts (pins, roll pins, small springs, etc.), steel, welding rod and gases. (Course Material Fee Approved/Add to Course Description)

Effective: Spring 2010

Approved: October 20, 2009

GSS 148 Advanced Correctional Armorer School

This course requires an additional fee of \$19 to cover the costs of course handouts, bluing salts, sandpaper, small parts (pins, roll pins, small springs, etc.), steel, welding rod and gases. (Course Material Fee Approved/Add to Course Description)

Effective: Spring 2010

Approved: October 20, 2009

Health

HLTH 2 Personal Health

Representative Text Update. Physical Education Instructional Program review.

Effective: Summer 2010

Approved: April 27, 2010

HLTH 25 Understanding Nutrition

Representative Text Update. Physical Education Instructional Program review.

Effective: Summer 2010

Approved: April 27, 2010

Health Occupations

HO 3 Medical Terminology

Representative Texts Update. Vocational Nursing Instructional Program Review.

Effective: Summer 2010

Approved: April 27, 2010

HO 40 Nursing Assessment

The addition of student learning outcomes. Vocational Nursing Instructional Program Review.

Student Learning Outcomes:

1. After being given an assignment of a specific patient, the student will be able to perform a complete physical assessment, including a health history that is comprehensive with past illnesses and surgeries and present complaints and then write a case student of the patient and make decisions regarding his or her health and wellness issues.
2. Given a hypothetical or real situation demonstrate the ability to develop collaborative solutions as a member of a healthcare team based on the information presented.

Effective: Summer 2010

Approved: April 27, 2010

HO 40 Nursing Assessment

Student Learning Outcomes were approved for this course.

Effective: Fall 2009

Approved: September 29, 2009

HO 46 IV Therapy and Blood Withdrawal (Phlebotomy)

Course reviewed with no revisions as part of the Vocational Nursing Instructional Program review process.

Effective: Summer 2010

Approved: April 27, 2010

HO 46 Therapy and Blood Withdrawal (Phlebotomy)

Student Learning Outcomes were approved for this course.

Effective: Fall 2009
Approved: September 29, 2009

HO 54 Basic Structure and Function of the Human Body

Representative Texts Update. Vocational Nursing Instructional Program Review.
Effective: Summer 2010
Approved: April 27, 2010

HO 54 Structure and Function of the Human Body

Representative Textbooks Update.
Effective: Fall 2010
Approved: February 2, 2010

HO 54 Structure and Function of the Human Body

Representative Textbooks Update.
Effective: Fall 2010
Approved: February 2, 2010

HO 64 NCLEX Review

Representative Texts Update. Vocational Nursing Instructional Program Review.
Effective: Summer 2010
Approved: April 27, 2010

HO 80A Geriatric (Long-Term Care) Nurse Assistant

Course reviewed with no revisions as part of the Vocational Nursing Instructional Program review process.
Effective: Summer 2010
Approved: April 27, 2010

HO 80A Geriatric (Long-Term Care) Nurse Assistant

Content review justification forms have been completed to add recommended preparation of 'English 50 and Reading 51' to this course which contains a lecture component.
Effective: Fall 2009
Approved: August 25, 2009

HO 120 Cardiopulmonary Resuscitation

Course reviewed with no revisions as part of the Vocational Nursing Instructional Program review process.
Effective: Summer 2010
Approved: April 27, 2010

HO 152 Standard First Aid

Course reviewed with no revisions as part of the Vocational Nursing Instructional Program review process.
Effective: Summer 2010
Approved: April 27, 2010

Human Services

HUS 35 Ethical Issues – Human Services

Revisions include increased units from 2.0 to 3.0, increased lecture hours from 34 to 51, revisions to course content, representative texts update. (This course is a core requirement for both Human Services degrees and certificates, resulting in revisions to those degrees/certificates.)

Effective: Fall 2010

Approved: March 16, 2010

HUS 40 Field Instruction Seminar I

Approved for the addition of ‘Online Instructional Delivery’ and the removal of ‘Correspondence Delivery’ to provide a more effective method of instruction for better student completion rates.

Includes revisions to the course description, method of evaluation, and method of instruction. An update to the TMI (Technology Mediated Instruction) Listing will be made.

Effective: Fall 2009

Approved: September 29, 2009

HUS 41 Field Instruction II

Approved for the addition of ‘Online Instructional Delivery’ and the removal of ‘Correspondence Delivery’ to provide a more effective method of instruction for better student completion rates.

Includes revisions to the course description, method of evaluation, and method of instruction. An update to the TMI (Technology Mediated Instruction) Listing will be made.

Effective: Fall 2009

Approved: September 29, 2009

HUS 48.06 Creating a Spirit of Nonviolence, Advanced (New Course)

This course promotes an effective way of responding to conflict through self-development by developing skills for enhancing self-esteem, increasing communication, promoting a sense of commonality, and building community. Students build on skills learned in the beginning course. This course consists of 18 lecture hours for 1 unit, and has a recommended preparation of English 50 and Reading 51.

Discipline Assignment: Counseling, Psychology, Health, Addiction-Paraprofessional Training

Effective: Spring 2010 (30 Days after Board Approval)

February 2, 2010

Board Approval:

Humanities

HUM 2 Western Civilization: 1600 to Present

Revisions to Student Learning Outcomes.

Effective: Spring 2010

Approved: December 8, 2009

Mathematics

MATH 1A Analytic Geometry and Calculus I

Minor revisions to prerequisite skills, student learning outcomes, course objectives, expected outside assignments, and representative texts. Natural Science/Allied Health/Mathematics/Physical Science Instructional Program Review.

Revised Student Learning Outcomes:

1. Determine limits and continuity of algebraic and trigonometric functions.
2. Calculate derivatives of algebraic and trigonometric functions.
3. Calculate implicit differentiations.
4. Integrate algebraic and trigonometric functions in expressions that may require using substitution.
5. Apply derivatives to analyze graphs and solve problems involving; optimization, extreme values or related rates.
6. Differentiate and integrate logarithmic, exponential, and other transcendental functions.
7. Demonstrate application of definite integrals.

Effective: Summer 2010

Approved: April 13, 2010

MATH 1B Analytic Geometry and Calculus II

Minor revisions to course description, prerequisite skills, student learning outcomes, course objectives, course content, expected outside assignments, and representative texts. Natural Science/Allied Health/Mathematics/Physical Science Instructional Program Review.

Revised Student Learning Outcomes:

1. Analyze problems utilizing the application of the principles of analytic geometry and calculus, techniques of integration, indeterminate forms, improper integrals, infinite series, conic and polar coordinates.
2. Solve problems using numeric, graphic, and symbolic techniques.

Effective: Summer 2010

Approved: April 13, 2010

MATH 1C Analytic Geometry and Calculus III

Student Learning Outcomes were approved for this course.

Effective: Fall 2009

Approved: September 29, 2009

MATH 1C Analytic Geometry and Calculus III

Minor revisions to course description, prerequisite skills, expected outside assignments, and representative texts. Natural Science/Allied Health/Mathematics/Physical Science Instructional Program Review.

Effective: Summer 2010

Approved: April 13, 2010

Math 7 Trigonometry

Reviewed with slight revision to course objectives (misspelled word) as part of the Natural Science/Allied Health/Mathematics/Physical Science Instructional Program Review.

Effective: Spring 2010

Approved: March 16, 2010

MATH 8 Advanced Algebra

Minor revision to course description. Natural Science/Allied Health/ Mathematics/Physical Science Instructional Program Review.

Effective: Summer 2010

Approved: April 13, 2010

Math 11A Concepts of Elementary School Mathematics I

Reviewed with no revisions as part of the Natural Science/Allied Health/Mathematics/Physical Science Instructional Program Review.

Effective: Spring 2010

Approved: March 16, 2010

Math 11B Concepts of Elementary School Mathematics II

Reviewed with no revisions as part of the Natural Science/Allied Health/Mathematics/Physical Science Instructional Program Review.

Effective: Spring 2010

Approved: March 16, 2010

MATH 40 Elementary Statistics

Update representative texts and remove ‘Correspondence Delivery’, as a method of instruction. Natural Science/Allied Health/Mathematics/Physical Science Instructional Program Review.

Effective: Summer 2010

Approved: April 13, 2010

MATH 51 Elementary Algebra

Update representative texts. Natural Science/Allied Health/Mathematics/Physical Science Instructional Program Review.

Effective: Summer 2010

Approved: April 13, 2010

MATH 60 Intermediate Algebra

Minor revisions to prerequisite skills, course objectives, course content, written assignments, and representative texts update. Natural Science/Allied Health/Mathematics/Physical Science Instructional Program Review.

Effective: Summer 2010

Approved: April 13, 2010

Math 53 Technical Mathematics

Inactivate Course. Course has not been offered in several years.

Effective: Fall 2009

Approved: September 29, 2009

MATH 101 Basic Mathematics

Textbook Update as part of the Natural Science/Allied Health/Mathematics/Physical Science Instructional Program Review. Remove the second student learning outcome.

Effective: Spring 2010
Approved: March 16, 2010

MATH 102 Pre-Algebra

Textbook Update as part of the Natural Science/Allied Health/Mathematics/Physical Science Instructional Program Review.

Effective: Spring 2010
Approved: March 16, 2010

Music

MUS 6 Music History from Antiquity to 1750

Student Learning Outcomes were approved for this course.

Effective: Fall 2009
Approved: September 29, 2009

MUS 7 Music History from 1750 to Modern Era

Student Learning Outcomes were approved for this course.

Effective: Fall 2009
Approved: September 29, 2009

Stand Alone Certification

Certification for Local Approval of Stand-Alone Credit Courses

2009-2010 Academic Year

Curriculum and Academic Standards Committee Training

Attendees for the August 25, 2009 Training

Ms. Cheryl Aschenbach, Vice Chair
Ms. Tina Bishop, Articulation Officer
Ms. Elizabeth Elam
Ms. Lisa Gardiner
Ms. K.C. Mesloh
Ms. Susan G. Mouck, Chair
Mr. Robert Schofield
Mr. Garrett Taylor
Mr. Chris Younger/ASB Representative
Ms. Gail Pritchard (Curriculum Technician)

*Ms. Reina Branum

*Ms. Colleen Baker

*Chair Mouck provided individual training to these two members on September 11, 2009.

The Certification for Local Approval of Stand Alone Credit Courses form was signed off by Superintendent/President Dr. Douglas B. Houston, Vice President/Dean of Instructional Services Dr. Irving Berkowitz, and Curriculum and Academic Standards Committee Chair Susan G. Mouck and submitted to the Chancellor's Office on September 14, 2009.

2008-2009 Academic Year

Curriculum and Academic Standards Committee Training

Training conducted by Curriculum Chair Ms. Susan G. Mouck.

Attendees (New Members) for the September 23, 2008 Training

Dr. Irving Berkowitz

Mr. Garrett Taylor

The Certification for Local Approval of Stand Alone Credit Courses form was signed off by Superintendent/President Dr. Douglas B. Houston, Vice President/Dean of Instructional Services Dr. Irving

Berkowitz, and Curriculum and Academic Standards Committee Chair Susan G. Mouck and submitted to the Chancellor's Office on September 23, 2008.

2007-2008 Academic Year

Curriculum and Academic Standards Committee Training

Training conducted by Chancellor's Office Meeting Conference.

Attendees for the September 18, 2007 Training

Ms. Chair Cheryl Aschenbach
Ms. Tina Bishop
Ms. Elizabeth Elam
Ms. Lisa Gardiner
Ms. K.C. Mesloh
Ms. Susan G. Mouck
Ms. Carrie Nyman
Mr. Robert Schofield
Dr. Stephen G. Sylvester
Ms. Maria Valko

Ms. Gail Pritchard (Curriculum Technician)

The Certification for Local Approval of Stand-Alone Credit Courses was signed off by Superintendent/President Dr. Douglas B. Houston, Dean of Instructional Services Dr. Stephen G. Sylvester, and Curriculum and Academic Standards Committee Chair Susan G. Mouck and submitted to the Chancellor's Office on September 20, 2007.

Prior Year Revisions for 2010-2011 Catalog

Submission to the Chancellor's Office Review of the following AA Degree University Studies: Emphasis in Graphic Design and the Graphic Design Certificate of Achievement was withdrawn in December 18, 2009 in order to complete necessary requirements.

Art Program

AA University Studies: Emphasis in Graphic Design (New - approved 04/14/2009)

Graphic Design Certificate of Achievement (New - approved 04/14/ 2009)

Art

DEGREES

A.A. Degree University Studies:

A.A. Degree University Studies:
Emphasis in Graphic Design

CERTIFICATE OF ACHIEVEMENT

Graphic Design

CERTIFICATE OF ACCOMPLISHMENT

Graphic Design

Lassen's art curriculum offers introductory and intermediate level courses in painting, watercolor, computer art, drawing, sculpture, ceramics, printmaking and design, as well as courses in art appreciation and art history.

Through the program's art theory and art practice classes, students develop an awareness and understanding of the materials, tools, rationale and significance of art in society.

The art curriculum's critical thinking and technical skills components encourage students to utilize independent thought processes and problem solving. This program provides transfer and employment opportunities as well as personal enrichment for students.

The Certificate of Accomplishment in Graphic Design will provide the recipient with skills necessary to obtain an entry level job in the graphics art field using principles of design and industry standard hardware and software to effectively and creatively solve commercial visual art problems.

The Certificate of Achievement in Graphic Design builds on the Certificate of Accomplishment, adding skills in:

- *Web design and construction.*
- *Real world experience designing and producing visual materials for Lassen Community College.*
- *Effectively marketing yourself and your work to enhance your career prospects.*

As an Art major, you will:

- *Study a general visual arts curriculum that includes traditional course in drawing, painting, ceramics, photography, design, and art history, as well as digital imaging, courses using the latest software.*
- *Develop the techniques and skills necessary to begin to achieve your goals in the visual arts.*
- *Identify possible career courses and individual styles that suit your aims.*

Career Options

Painter
Sculptor
Ceramist
Art Instructor
Illustrator
Printmaker
Computer Publishing Specialist
Graphic Designer
Gallery Director
Graphic Artist
Computer Artist

Program Highlights

*An excellent full service facility, including studios for ceramics, traditional photography and jewelry design.
*Experience instructors who continued to create their own work, sharing their passion with you.
*Small class sizes that allow personal dialog with instructors.
*The subtle beauty of the Great Basin for inspiration.
*Work experience positions are available for students to broaden their studies.

Withdrawn for Review – December 18, 2009

Associate in Arts Degree University Studies: Emphasis in Graphic Design

Total Units Required for the Associate in Arts Degree: 60 Units

Required Core Courses: 24 Units

Course No.	Course Title	Units
ART 1A	Fundamentals of Two- Dimensional Design	3
ART 19A	Beginning Digital Photography	2
ART 25	Computer Graphics	3
ART 60	Production Graphics	3

This form was a request to add low-unit certificate/s to inventory and has been discontinued due to the implementation phase of the electronic submission process for California Community Colleges Curriculum Inventory (CCCCI).

Received: January 11, 2010

Discussion Issues

Basic Skills Course Coding: CB 21 and T.O.P. Re-coding

Chair Susan Mouck reported that a number of participants attended the webinar training through the Chancellor's Office on November 17th, 2009 in the Administration Conference Room; Tina Bishop, David Burris, Dr. Kayleigh Carabajal, Jordan Clary, Dave Clausen, Gail Pritchard, and herself (Susan Mouck).

She explained one of the big questions is: 'Should Math 51 and English 50 be considered as basic skills courses?' The Chancellor's Office is to leave this decision up to individual institutions. She noted that this warrants further discussions before a determination by March can be made. Ms. Bishop brought up several areas that this may have an effect on; Student Financial Aid, Basic Skills Unit Limitations, timeline for students obtaining their degree, etc. She also had hoped that this decision would be uniform through the California Community Colleges so all colleges are consistent.

Chair Mouck suggested multiple discussions occur with the various areas (Mathematics, English and Reading) that have an interest to gather as much information as possible. This will come back for action in early spring.

Discussion(s): October 20, 2009 and December 8, 2009

CB 21 and TOP Re-Coding for Basic Skills

English, Math, and Reading Faculty met to determine the appropriate re-coding for Lassen's Basic Skills courses directly after Curriculum and Academic Standards had adjourned their meeting on February 16, 2010, Child Development Building, Room 119, 2:45p.m.

Catalog Rights to New Degree Requirements (Legal Opinion)

Articulation Officer Tina Bishop reported that the Legal Opinion regarding Catalog Rights prepared by the Chancellor's Office was not clear. KC Mesloh identified that there is great inconsistency across the state as to the interpretation of catalog rights. There are two basic interpretations:

- Individual Institution Catalog - Catalog Rights Based on first enrollment at a specific institution followed by continuous enrollment (at least one semester in each academic year)
- Community College Catalog - Catalog Rights Based on first enrollment at any community college in California followed by continuous enrollment

Tina Bishop identified that there have been several discussions concerning this topic in student services and the counselors are divided on their interpretation.

The question is 'Are colleges obligated to recognize catalog rights held by students at other colleges?'

The Chancellor's Office Conclusion is 'Catalog rights are based in contract law and students can enforce the catalog rights only against the original college. However, colleges are authorized to grant additional rights to students on a permissive basis.' The discussion of 'Continuous Enrollment' centered on the inconsistent definitions throughout the state. Ms. Mesloh, Transfer Center Assistant reported that general education requirements are pretty much consistent throughout the state; however now with the issue of Introduction to College Composition and Elementary Algebra where some institutions will accept them as degree applicable and other institutions will not, proposes a problem. Ms. Bishop agreed, indicating she could go either way; but had hoped that all institutions were consistent. She also noted that some of the counselors believe the higher standard should prevail whereas the student would need to take the more advanced English and Math to receive their degree.

In closing Chair Mouck advised that this item would return for action early in the spring so that the institution would consistently apply the same interpretation of catalog rights.

Discussion: December 8, 2009

Instructional Program Reviews

Instructional Program Reviews Due in 2010

Course outlines of record and partially completed course revision forms were emailed to every department working on their Instructional Program Review. In addition, the IPR Status of each department indicating when a course was last reviewed/revised was also attached. The following departments received this information during the last week of January.

Administration of Justice/Correctional Science
Agriculture
Automotive Technology
Business
Child Development
Human Services
Natural Science/Allied Health/Mathematics/Physical Science
Physical Education
Vocational Nursing

Technology Mediated Instruction

CG 51 College Success

Course has been approved for online delivery.
