Community Services Programs NIPR

SECTION 1: INSTITUTIONAL EFFECTIVENESS PLANNING

I. Program Overview and Objectives

The Community Services Program is a compilation of not for credit, fee-based classes and activities designed to serve individuals with educational goals that do not require college credit. Community Service classes are offered in addition to the College's instructional program and are not academic equivalents of regular credit classes or prerequisites for the traditional college program.

The Community Services Program has a three-fold objective:

1. To provide Community Service courses and programs that enhance the community culturally, civically, and socially.
2. To provide Community Service courses in outreach centers as well as on the main campus.
3. To offer courses responsive to the needs of the community that build on-going intellectual growth and human perspective for the participants individually and to the community as a whole.

Currently the only Community Service courses that are offered at Lassen Community College are Driver's Training, California Peace Officer Standards and Training courses, A Theater Workshop for New and Experience Actors and Intro to Canning.

Description/Evaluation:

- a. Describe and evaluate the program objectives against the LCC strategic plan, specifically the mission statement and strategic goals [available online or in the current catalog].
- b. Evaluate any changes in the program since last review. Include summary of Annual Updates completed since last review.

The Community Services Program aligns with the mission of the college by providing educational support for the needs of the local community and to promote lifelong learning.

LCC's Community Service program meets the goals and objectives of LCC's Strategic goals #2 and #4.

The number of Community Service courses offered has declined from the past NIPR, however moving forward, our goal is to offer a more robust array of Community Service courses to entice the community into participating in courses that will enhance and enrich their personal growth.

Planning Agenda:

List recommendations and necessary actions necessitated by the above evaluation. Complete Institutional Effectiveness Planning, Student Services Planning, and/or Academic Planning tables at the end of the section for any recommendations requiring institutional action.

- Update Community Service Course Application
- Remove application from the AP 4400
- Add application to Curriculum Handbook
- Edit Community Service Course approval process in Curriculum handbook
- Ongoing review of internal processes for handling community service courses, registrations, fee collections, and payments.
- Revise the name of the program to Community Education Program to create more interest in the program.

II Administrative Unit and/or Student Learning Outcomes Assessment

Student Learning Outcome Assessment

AUO and SLO assessment is important to maintain and improve institutional effectiveness and provide an effective learning experience for LCC students. Departments are expected to measure AUO and/or SLO annually; these records are maintained in WEAVE and are available for review at any time.

Description/Evaluation:

1. Identify and evaluate Administrative Unit and/or Student Learning Outcomes including the relationship to strategic goals for AUOs and institutional student learning outcomes for SLOs utilizing information from WEAVE.
2. Attach an AUO and/or SLO assessment summary as provided by Office of Institutional Effectiveness.
3. Provide an analysis of findings of the assessment results may be leveraged to support equipment, facility, staffing, or other budget and planning need and include the justification in your analysis.

Auo's were assessed in 2022 and it was determined that marketing was not an appropriate Auo to assess due to the inability to accurately measure the impact of marketing and number of marketing events that took place.

The number of Community Service classes increased in 2022 and the number of students attending the Community Service classes also increased. The outcomes and targets for the AUO's are appropriate.

Strategic Goal	AUO	ASSESSMENT MEASURE /TARGET
2, 4	Increase the number of Community Service courses offered.	Measure: Count of Community Services courses offered: Target: Increase number of courses offered by 2% annually Baseline: 2021-2022 Data Source: Spreadsheet stored on the P-Drive
2, 4	Increase enrollment in Community Service courses at Lassen Community College.	Measure: Count of Community Services courses enrollment: Target: Increase by 2% annually Baseline: 2021-2022 Data Source: Spreadsheet stored on the P-Drive

Planning Agenda:

List recommendations and actions by the above evaluation of AUO and/or SLO results. Complete Institutional Effectiveness Planning, Student Services Planning and/or Academic Planning tables at the end of the section for any recommendations requiring institutional action. For any items needing Human Resources Planning, Institutional Technology

Planning, or Facilities Planning action, please make sure to include the information within the appropriate section and table later in the program review document.

- Create a strategic plan to grow Community Services offerings and participation. This is an ongoing strategy.

III. Equipment

Description/Evaluation:

1. List capital outlay equipment, age of equipment and replacement schedule.
2. Identify any existing equipment maintenance/service agreements.
3. Evaluate the condition of capital outlay equipment in light of the replacement schedule and available funds.
4. Evaluate the effectiveness of and need for additional maintenance /service agreements.
5. Justify any proposed modification or additions to equipment available for students and/or faculty/instructional assistants within the program.

Driver Training Vehicles 2014 Ford Focus

Driver Training Vehicles 2009 Nissan Versa

Driver Training Vehicles 2022 Ford Eco Sport AWD

Ongoing maintenance and service will be continued to extend the use of each vehicle. All funds used for maintenance will be from fees collected through community service courses.

Planning Agenda:

List recommendations and necessary actions necessitated by the above evaluation. Complete Institutional Effectiveness Planning, Student Services Planning, and/or Academic Planning table at the end of the section for any recommendations requiring institutional action.

Additional equipment needs may be identified for new programs as they are developed during the academic year. All equipment or supplies will be purchased with funds obtained through Community Service course offerings.

IV. Outside Compliance Issues (if appropriate for program)

Description:

If appropriate, describe the role of outside compliance issues on the program.

Education Code section 78300 defines Community Service classes and outlines the parameters in which a Community Service class can be offered. No general fund monies may be expended to establish or maintain Community Services courses.

Evaluation:

Assess changes in compliance or identification of compliance-related needs and the impact on the program.

Create a budget for the Community Services Program to assure general funds are not being utilized to support the program.

Planning Agenda:

List recommendations and necessary actions necessitated by the above evaluation. Complete Institutional Effectiveness Planning, Facilities Planning, Technology Planning and Human Resource Planning Forms as appropriate for any recommendations requiring institutional action.

None.

VI. Prioritized Recommendations

A. Prioritized Recommendations for Implementation by Program Staff

List all recommendations made in Section One that do not require institutional action (ie. curriculum development) in order of program priority.

None.

B. Prioritized Recommendations for Inclusion in the Planning Process

List all recommendations made in Section One that should be included in Lassen College's planning and budgeting process, specifically in the Educational Master Plan, Student Services Master Plan, or Institutional Effectiveness Master Plan. Separate recommendations into the appropriate plan(s). Items to be included in the Human Resource Master Plan, Institutional Technology Master Plan, or Facilities Master Plan should be addressed in Sections Two, Three or Four in lieu of or in addition to inclusion in the Academic Master Plan. See Attachment C for Master Plan Overview to determine where recommendations are best placed.

Lassen Community College Master Plan Overview

Six master plans comprise the Comprehensive Institutional Master Plan. Recommendations from program reviews will be input into the selected master plans as determined by faculty in the prioritized recommendation spreadsheets. To better understand which master plan might be most appropriate for each program recommendation, a summary/objective of each plan is included below. More information can be found in the Shared Governance and Consultation Council Handbook and the Comprehensive Institutional Master Plan.

Institutional Effectiveness Master Plan (IEMP): the IEMP addresses college needs not addressed in other plans. These needs include research, governance, outcome assessment, and administrative operations.

Educational Master Plan (EMP): The EMP addresses the instructional planning needs of the college.

Student Services Master Plan (SSMP): The SSMP highlights the services needed to maximize the student experience through a variety of key student support services.

Institutional Technology Master Plan (ITMP): The ITMP addresses the technology needs of the campus.

Facilities Master Plan (FMP): The FMP addresses the physical infrastructure, facility, and maintenance needs of the campus.

Human Resources Master Plan (HRMP): The HRMP identifies and manages the administrative functions of recruitment, selection, evaluation, and professional development needs of the College to ensure a fully-staffed and highly functioning team of employees.
