BUDGET PRINCIPLES

Transparency

Balanced
Conservative
Complete/comprehensive

BUDGET GUIDELINES AND PRIORITIES

- Align with College's Strategic Plan (Vision/Mission/Values/Strategic Goals).
- Achieve Strategic Goals ensuring student success and retention.
- Transfer resources from indirect (internal) services to prioritized services that directly support student success and retention.
- Mitigate future risk and avoid future cost increases by finding external (outsourced) solutions for high-risk administrative services.
- Align categorical/restricted programs with Strategic Goals; to the degree possible, use those funds to support on-going District expenditures even if on a one-time basis.
 Make maximum use of pro-offered "flexibility with Categorical funds."
- Maintains a minimum of 15% budget reserves (fund balance) consistent with BP 3120 to sustain operations during periods of cash-flow shortfalls and protect College's credit ratings.
- To accommodate cash flow short-falls, implement a disciplined spending plan tied to cash-flow projections with centralized spending control.
- Use inter-fund borrowing in preference to external borrowing, due to added costs and potential conflicts between scheduling of repayment and deferred apportionment.

KEY ASSUMPTIONS

- Projects a 8.3% increase in budgeted funding. Lassen Community College District Budgeted FTE for 2014-2015 Fiscal Year is 1650 which is a 10.03% decrease from the District Enrollment Cap of 1,834. The District will strive to restore Funded FTES for the 2014-2015 Fiscal Year to 1,650
- Restoration of FTES must be the District Goal.
- The District's budget is moderately conservative, anticipating volatility of the State Funding during the 2014-2015 Fiscal Year.
- The fund balance carried over from 2013-2014 Fiscal Year will include One-Time monies intended to complete the projects as described in the Comprehensive Institutional Master Plan.
- The 2014-2015 Tentative Budget includes improved technological infrastructure, program/staffing realignment and facility use adjustments.
- Any legislated increases or reductions to categorical programs will be included in the 2014-2015 Adopted Budget. The District will exercise Categorical Flexibility.
- Cash flow may dictate changes in expenditure timing; current deferrals will continue and there is a potential for a reduction of apportionment deferrals. For 2014-2015 there may not be deferrals. We are awaiting further information from the State.
- This budget does not include categorical carryovers as they have not been finalized.
- This budget includes the Education Protection Account (EPA) funds of \$1,846,558 that will continue to be expended for faculty wages and benefits.
