

You're Invited to our 1st Annual

Surviving to Thriving Summit

Join us for an innovative program for staff and supporters who interact with foster youth and underrepresented students in navigating trauma response, gaining support, and developing skills for academic and life success

Plenary speaker from Tools for Life, INC

Nick Lawrence

(Family Resiliency Coach)

What You'll Learn:

Personal & Professional Self-Care

Learn techniques for personal and professional self-care while serving students with a trauma background

Foster Youth Support at LCC

Take a look at the data and the impact this program has had on LCC foster youth & what NextUP has to offer

Building Community

Connect with local agencies and learn about the resources available
