Free Tutoring at LCC

by Tutor, Sarah Taylor

Your success is very important to everyone here at Lassen College, and the path to your success does not have to be blocked due to a lapse in understanding of certain subjects. Come on in to the Learning Center, located in the ARC, and talk to Meggin Lewman to get started with a tutor. Tutoring is free to all students and a great way to improve your learning potential.

The tutor program is growing fast, with tutoring available in a vast amount of subjects and we have the versatility to come to where you are, so you can learn in your own environment. Tutors are available for serving your needs in the Learning Center, Nursing Program, Math/Science Department, and DSPS.

Subjects currently available for tutoring are: English 1, English 105, Business 1A, Econ 10, Chemistry, Physics, Psychology, Sociology, History, Speech, Math 60, 40 & 8. If you need help in a subject not listed, come in and Meggin will work with you to met your needs.

ASB (Associated Student Body)

The Associated Student Body is dedicated to enhancing the student experience at LCC. Recently ASB surprised the Bagel Thursday Team with a thoughtful donation of two toasters, so that students can have the option of toasted bagels at the once a month event. Thank you ASB!

ASB meetings are open to the public and are an opportunity for students and others to share their views. Meetings are held every Tuesday at 12:15-1:00pm in HU 213.

Why Huddle?

1. Meet other students
2. Engage, interact and have fun
3. You get to ask questions
4. Innovative ideas
5. Practical advice
6. Overcome fears
7. By skipping huddles, you won't find cool new things that LCC has to offers.

LCC Students UNR Nevada Bound

Photo by Student, Cecilia Rivera

LCC vans full of our students headed to UNR early Friday morning October 18th to attend UNR Nevada Bound Day. This event offered LCC students an opportunity to visit UNR and experience firsthand the UNR experience.

LCC Student Town Hall Meeting

On October 24th, LCC students had the opportunity to get questions answered, engage in constructive dialogue and find out what's going on around campus. Hosted by Dr. Trevor Albertson and Dr. Hall, students first learned about LCC participatory bodies; ASB, Board of Trustees and Consultation Council. Then students shared their thoughts about Campus Offices and Services. The final activity of the Town Hall Meeting broke students into small groups to collaborate on the pros and cons of Financial Aid, Dormitory, Cafeteria, Instruction/Classes, Facilities, Student Life, Athletics and Counseling. Thank you to all the students that attended the Student Town Hall Meeting. Your voice matters.

Save the Date-**November 14th** Inagural International Student Celebration Day

The Student Ambassadors have decided to create an annual event to recognize our wonderful international student population and learn from our many cultural differences. On **November 14th**, the inaugural International Student Celebration Day will be held in the **Cafeteria from 11:30 am to 1:30pm**.

This event will honor 7 countries and our 17 international students. All students attending will be issued a **Passport 7** to tour the 7 countries and the World Map photo booth. As students leave each country and the World Map photo booth, their passport will be signed by a Student Ambassador. Once a student gets all seven countries signed and places their photo on the **World Map**, the student will be entered to win a 17 inch laptop.

Another great feature at this event is **DRINKSPIDER**. A Spider drink in Australia is an ice cream float or ice cream soda (United States, United Kingdom, Canada, South Africa and East Asia), soda float (United States, United Kingdom, and Southeast Asia) or **spider** (Australia and New Zealand), is a chilled beverage that consists of ice cream in either a soft drink or in a mixture of flavored syrup carbonated water. Our **LCC spider** will be served in a **customized souvenir mug**.
