## Student Ambassadors Launch The Paw

*by Student Ambassador Team*

The LCC student ambassadors are creating a climate of engagement around campus and looking at ways to help students connect and engage at LCC. The Paw is a monthly newsletter created by the Student Ambassadors, under the direction of Jennifer Tupper, Director of Orientation and Student Success. The intent is to keep students informed on current and upcoming college events. Please contact Jennifer at [jtupper@lassencollege.edu](mailto:jtupper@lassencollege.edu) with comments or suggestions.

## Cougar Sports News

The spring sporting schedule has been hit and miss so far this year due to the unpredictable weather occurring within the region. Both the softball and baseball teams have been struggling to get time on the field, especially here at their home grounds. Baseball started their season off with a sweep at Porterville last month, but have struggled to keep the momentum going as of late. The recent games against Butte saw Lassen take home the win in the second game of the day, making their overall record 6-8 so far for this season.

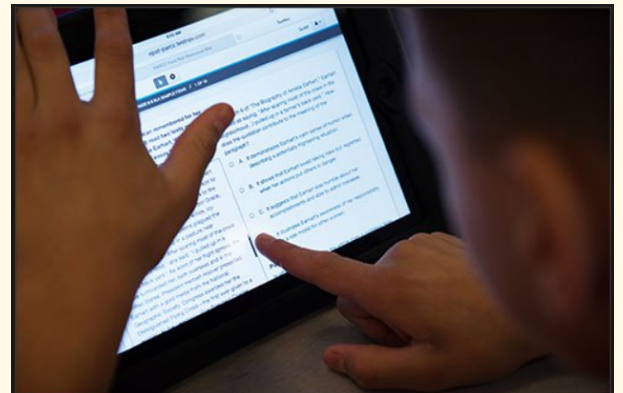

The Lady Cougs also started their season off with a sweep on Mendocino. Unfortunately, these results did not occur in their next four games when they played West Valley and Foothill. The team has been practicing hard and are adapting to the changing conditions they are being thrown. With only two returning sophomores, the team is taking every opportunity to learn from their experiences.

Go to [www.lassencollegeathletics](http://www.lassencollegeathletics) for the most up to date LCC sports information

## LCC Meetups

LCC Meetups are a chance for students to get together, meet new people, engage with others and have fun as an LCC student. All students are welcome to attend these free student engagement activities. Hopefully you were able to attend the Pre St. Patrick's Day Fun, but if not, there are plenty of other meetups scheduled. The next LCC Meetup is Karaoke and Just Dance on March 27, in the Cafeteria from 5 pm to 7 pm. Check out the LCC website for more Spring LCC Meetups or stop by the student help desk to find out more information. Remember you can come by yourself or bring your friends. See you there!

## Cougar Roar

The Cougar Roar section has been created to gather feedback on student experiences on campus, and how to better align events and activities with student needs. The student ambassadors will be doing student surveys to get feedback on how we can better support you at Lassen College. We always want to hear what could help you succeed in college. Please send emails to [jtupper@lassencollege.edu](mailto:jtupper@lassencollege.edu).

## 8th Graders Crash Campus

Do you remember what it felt like to be in the 8th grade? Try to think back a bit and think of what type of student you were. Were you scared of what the future might hold for you and needed some sort of guidance or direction? Or did you just lay back and go with the flow? On March 18th thru March 22nd, LCC campus got flooded with 8th graders, Some of them nervous to see the options of their near future and others excited to see a little bit of what college life would be like.

## 15 To Finish

On average, a college student wants to take 15 credit hours each semester to make sure they graduate on time. Many full-time students take less than that and don't receive their diploma on schedule.

### Why take 15 credit hours?

Save Money

Graduate on Time

## Cougar Cupboard Recipes

Nutrition and cooking workshops take place once a month here at LCC, right next to the Cougar Cupboard. These workshops showcase tips and tricks on college friendly food options. March's workshop demonstrated how to cook tostadas using ingredients from the Cougar Cupboard. The recipe included canned chicken, corn, black beans and rice. This demonstration was a hit with both the students and staff. The next cooking demonstration will be on April 3rd between 10 am and 2 pm.

## International Corner

Coming to another country to study is not something easy! Especially when you have to adapt to a new culture and learn a new language. Lassen College has always been very receptive with the International community. The smaller class sizes allow students to receive personalized attention. Today, there are many international students at Lassen College from all around the World. England, Brazil, Vietnam, and Australia are just a few of the countries that make up our student population. The experiences international students gain at LCC allow them to accomplish and further their dreams.

## The Study Place

Do you need a quiet place to study, get work done and get academic assistance? The Summit Room located in Basecamp (CA 209) is open on Mondays and Tuesdays from 4:30 pm to 5:30 pm. All students are welcome at the Study Place!

## Student Help Desk

The Student Help Desk exists to provide LCC Students with prompt, attentive, friendly assistance and support to help them with navigational issues related to MyLassen portal, Canvas, student email, and Financial Aid. The student help desk also provides campus tours and helps students discover support services they need to be successful. Located in Basecamp (CA 209), the help desk is open from 10 am to 2 pm, Monday through Friday.
